

BM34' FULL CABIN

TECHNICAL SPECIFICATION

LOA	: 34 Ft
Beam	: 10 Ft 11 In
Est. Displacement	: 14,800 Lbs
Power	: 2x300 Hp
Cruise	: 30 Kts at 1.2 NM/G
Fast	: 40 Kts at 0.8 NM/G
WOT	: 42 Kts
Cruise Range	: 230 NM
Fuel Capacity	: 2x120 G
Foil	: SAF 2205 SS

STANDARD SPECIFICATION

BERING MARINE HULL

Asymmetric foil assist catamaran with 20 deg dead rise at transom
 5083 aluminum hull and wet deck shell
 5083 aluminum interior transverse frames
 5083 aluminum self bailing decks and superstructure
 6061 extruded hull guard and gunwale tube

DECK ACCESSORIES

Extended T-transom w/ hinged aluminum gate
 Aluminum hand rails fore & aft deck
 Hand rail along cabin top port and starboard
 Fixed radar & antenna basement
 (2) Fish boxes w/ macerator pump w/ hinged lids and gas lift struts (90G each one)
 Aluminum rod holders x7 on the roof
 (4) Soft hatches for hull access
 (6) Ceredi aluminum hatches w/ hinged for bow and aft storage compartments
 (6) 10" aluminum mooring cleat
 Battery locker in transom complete with passive ventilation
 Aluminum swimming ladder

MAIN CABIN

Fully insulated walls and ceilings
 Headliner; artificial leather / fabric upholstery finishes
 Walls; painted / laminated finishes on marine plywood
 Floor; slip-resistant vinyl and acoustic dampening insulated subfloor
 Helm area; Welded aluminum, painted dash console. Adjustable helm seat with arm rest. (1) Cupholder & Phone holder
 Passengers area; Welded aluminum, painted passenger console w/ storage compartment. (2) Passenger seats with arm rest.
 Settee; 4 person settee and stowage below. Fold out corian table with 4 cupholders. Converts to berth.
 Galley; SS sink w/ faucet on corian counter. (3) drawers under sink. (1) storage door and shelves on wall.
 (2) Overhead Grabrails along cabin roof
 (2) Handrails on console
 (2) Interior ceiling led line lights
 (2) 12V USB and lighter port

CUDDY CABIN

Fully insulated walls and ceilings
 Sliding painted door w/ locker for entrance
 Lewmar w/ acrylic lens 60 low profile hatch
 Headliner & walls; artificial leather / fabric upholstery finishes on marine plywood
 Wardrobe with sliding door
 (5) Storage shelves (2) stbd (3) port
 Custom 140x2000x18 cm bed with (2) cushions and linens set

Liftout hull access hatches port & stbd (under bed)

(2) Rotatable reading lights

(2) Led cabin spotlights

(2) Interior floor led lights

HEAD

Fully insulated with easy to clean white fiberglass & hardwood panels

12V electric marine toilet (fresh water flush)

Corian sink & SS combination faucet

Storage with hinged lid

(1) led cabin light

(1) Toilet paper holder, flannel, toilet brush, hanger and mirror

(3) Curtains

DOORS & WINDOWS

External Hinged Aluminum door with half drop window (AJR or equivalent)

(6) Fixed, tempered 6mm silver powder coat frames windows (AJR or equivalent)

(2) Sliding, tempered 6mm silver powder coat frames windows (AJR or equivalent)

(1) Halfdrop, tempered 6mm silver powder coat frames window (AJR or equivalent)

FRESH & BLACK WATER SYSTEM

Black water: 20G tank with macerator pump : shore and direct overboard pump

Fresh water: 36G tank with hydrofor pump, plumbed to head, galley sink and toilet.

BILGE SYSTEM

(5) Rule 2000 GPH bilge pumps w/ float switches & high water alarm

FUEL SYSTEM

(2) 120 G aluminum fuel tanks w/ deck fills, vents, fuel level sensors, suction tubes

(2) Gasoline filters

ELECTRICAL SYSTEM

(2) Starter batteries 90A 12V

(1) House battery 265A 12V

Circuit breakers UV printing aluminum composite control panel

(8) Surface mount 187 Series circuit breakers

DC distribution panel 12V

(2) 12V DC Waterproof Fuse Panel - 6 position

(1) 12V DC Waterproof Fuse Panel - 4 position

(4) Remote Battery Switch w/ helm area control

Remote Battery Switch UV printing aluminum composite control panel

(2) Fish box macerator's control switch

(2) Z4 anodes for cathodic protection

ELECTRONICS & NAVIGATIONS

LED navigation lights including starboard, port and anchor

Ritchie magnetic compass on main console

Electric trumpet horn

ANCHORING AND MOORING

EZ Puller 4 electrical reel winch with helm control

Stainless steel bow roller

Galvanized anchor with rope and chain combination

PAINT & FINISH

Alexseal premium top coat finish

Polished raw aluminium handrails

Durable Non-skid deck coating

High performance black anti fouling paint 2 coats

SAFETY PACKAGE

Smoke detector

Type B-1 fire extinguisher
